Hi Curtis and LaTonya,

Following up on my email below on Friday, can you review my proposed responses to the first 2 items in the technical assistance document, as well as the Corps' responses to the rest of the questions. Please share as appropriate and let me know if the region has any comments or edits by 11am CT tomorrow, February 23.

Thanks,
Carolyn

Hi all,

House Transportation and Infrastructure Committee minority staff has requested EPA and Corps technical assistance on the West Lake legislation. Attached are the Corps draft responses to those

Qs that they have the lead on, and the first few are for EPA. I think we can answer these with the info. Curtis provided me last week (attached fyi). We do not need to provide this until next week. Let me know any comments or questions, thanks.
